ABOUT US

We, as Hem Life, turned our 25-years trading experience in different sectors, into e-commerce and in 2015, we started our activities with our online shopping site, Birtiklasizde. Our activity, which started with the retail sector in the field of glassware, enabled us to turn to the wholesale channel with our Hem Life site along with production. We are selling our products to the Turkish domestic market and exporting it to 15 countries with our team that is developing day by day, and we aim to be the leader in export and e-commerce.
